Please be advised your order is accepted on the following basis - if you are not content with the any item detailed below - please do not send us your order.

- Our prices as listed on our web site are in US \$'s - however being located in Canada - all orders we process manually will be converted to Canadian \$'s and then processed at the prevailing rate.
- All product fulfillment is via Electronic download from our web servers - we ship no physical product, you may however make CD/DVD copies for the file installers locally for archiving should you wish.
- The license you buy will be for single user PC install unless you specify and pay for a multi pack or Corporate multi user license allowing installation to more than a single personal computer or Citrix/Terminal Server etc.
- If you are located in Canada Federal and Provincial taxes will be added to your order value as appropriate - as will EU VAT unless you provide us with a corporate VAT number and copy certificate etc allowing us to waive this necessity.
- Refunds are only offered if the product supplied fails to perform in the manner advertised or a serious flaw is found that cannot be rectified in a timely manner. Please use the evaluation downloads available from our site to ensure satisfaction prior to purchase
- *Canadian sales outside of British Columbia are subject to applicable tax GST (5%). Sales within British Columbia are subject to both applicable Canadian taxes PST (7%) and GST (5%).

 Please Email your order to: sales@tracker-software.com or Fax directly to: +1 (250) 597-1623
